Wall Line Dance: 18 Counts, Beginner Level.

Choreographed By: Unknown.

Choreographed To: 'Electric Boogie' By Marcia Griffiths.

Notes:

This dance has been around for many, many years, and has seen thousands of variations. For example, many people will turn the first 8 counts into a vine right with a scuff and a vine left with a scuff. This is a very common variation. But the slides as shown in counts 1-8 above are where the dance got its name.
